Negative numbers

Number

Four operations—addition, subtraction, multiplication and division

Learning For Life

History— 6 Primary causes of WWII

Geographical context of The Blitz—countries, cities and landmarks involved

Historical context of The Blitz—British preparations. ARW's, blackouts and air raid shelters

Evacuation— reasons and logistics

The role of Women

Key world leaders and political systems

Reading

We are reading 'Good Night Mr Tom' by Michelle Magorian.

It is a book set in World War II and which tells the story of a young boy evacuated from London to the countryside.

We will explore the themes, characters and events, alongside our study of World War II.

Children will learn how to read for meaning, how to retrieve information from a text and how to work out the meaning of words, in order to develop their vocabulary.
