

BBC Children in Need 2020

Dear Parents/Carers,

We are delighted to inform you that Sutton Park Primary School will be participating in 'BBC Children in Need 2020' on Friday 13th November 2020. As stated in the previous school newsletter, the children are invited to come to school wearing spots or Pudsey bear outfits, in exchange for a £1 donation to the 'Children in Need' appeal.

This year, Children in Need are raising funds for children around the country using two themes. Their school focuses this year are 'Five to Thrive'. The programme is being led by Joe Wicks, Dr Radha and Blue Peter. Five to Thrive is their unique programme of wellbeing activities for Appeal Week. Inspired by the 5 Ways to Wellbeing, it is designed to help children feel better about themselves – as well as helping others.

Throughout the day, the children will be participating in fun sporting activities with their class. Can you please ensure your child/ren are wearing appropriate footwear to take part in the physical activities planned throughout the day? The children will be participating in their classes 'Active Mile' and the 'Joe Wicks Children in Need workout.'

A reminder for all parents/carers, school closes at 1pm on Fridays to all pupils (apart from those children staying at school for Friday Enrichment). Please ensure your child/ren are collected between 1:00 and 1:10 pm. The children will eat their lunch as normal before coming home.

We really appreciate your support and hope that you will have fun helping us raise lots of money for Children in Need.

Yours in Sport,

Mr C Jay
Trust Leader for Sport
