

# Team 3E

## What have you done today to make you feel proud?

To all my children in 2E/3E,

I can't believe it's time to say goodbye. Did I have the best class in the world?

YES! You all have a special place in my heart.

Do you remember when I fell over at sports day and you all ran to give me a hug when I finished in last place? Or giving me a high-five when we play "Mr Ellis says" in PE? Or when you all sang Happy Birthday to me and made me a lovely card with Mrs Patel in secret? How did I not notice? That's how wonderful you all are!

I have never had such a loving class and I could always count on you all to turn any bad day into a great day! I have loved getting to know you and your lovely families and I want to say a **big thank you** to all of them for supporting me and working with me during my time as your class teacher, thank you for allowing me to be a part of your child's journey!

As you all have seen in the latest school newsletter that unfortunately I will no longer be a teacher at Sutton Park Primary School and whilst this is sad, it's time for me to start my newest mission with a class who really need me to help them (just as you did when I arrived in Year 2.) My mission was to make your class happy again, ready to learn, give you a teacher you could look up to and a teacher who was going to take you on an amazing journey through year 3. Whilst this may have been cut short, I am pleased to say we have made it! So, it's with immense pleasure and pride that I can say... **Mission Complete!**

I have no doubt that you are now in safe hands with Mrs Middleton, PACT and your new teacher who is AWESOME!

Mr Ellis : )

You have made me so proud!
